

Gauntlet Style AFO's

Your patients are not standard, why should your AFO's be?

Proudly Hand Crafted in Maine, U.S.A.

At ***Pine Tree Orthopedic Lab*** we manufacture 100% custom made Ankle Foot Orthoses. From our highly skilled technicians, to our premium materials, we pride ourselves on manufacturing high quality, durable, and effective braces that will offer patients relief for years to come.

Unlike other labs, we offer additional padding, heel and forefoot posts, met pads, sulcus or full foot extensions **AT NO EXTRA CHARGE!** Thus, for one low fee, you are able to tailor each device to meet all of your patient's specific needs.
