

Tired of the "cookie cutter" approach to foot orthotics?

At **Pine Tree Orthopedic Lab** we manufacture 100% custom made foot orthotics that are designed to achieve results for numerous pathologies. These designs are simple, yet effective and are based on our own use at our Pedorthic facility in Maine. Hundreds of patients have benefited from these designs and we are positive that yours can too!

Unlike other labs, we provide met pads, posting, morton's extensions, wedges and many other options at no additional charge to you.

Pine Tree Orthopedic Offers:

- ▶ Standard five day manufacturing time
- ▶ High quality materials
- ▶ Excellent customer service
- ▶ Free consultation with a Certified Pedorthist
- ▶ Free shipping
- ▶ Free adjustments
- ▶ Competitive pricing
